Volume 4 is out.

I never thought I'd get as far as a volume four.

It's thanks to each and every one of you. Thank you so much.

It's so hot in mailing.

The Yamazaki Luck kicked in again and so many people were very kind to me there.

So I visited Paris, France in July.

Two are difference of 7 hours during DST!

I thought to myself, "I can't wait to read these all (French and English)." Thank you to each for leaving the two and going signed.

I wish I was sturdier.

I pretty much died once I got home. So tired.

I would have enjoyed being sung live throughout the voice.

everyone was enjoying themselves so much I couldn't help but be swept up in it as well.

When I arrived at the Japan Expo

SPECIAL THANKS

- My assistants, NARE and Sabu-hu
- My Family
- AND YOU !!

Bye!

Anyway, see you in volume five!

Hopefully it feels like the dancing bear story and more like the bear talking to me.

I want to show you how things are going to go from here so much!

Cirise and Gles are making their way through life together little by little, and volume four is no exception.
